§221.114 Amendment symbols to indicate changes in rates, fares and other provisions.

(a) *Uniform amendment symbols required.* All tariffs, supplements, original pages, and revised pages shall indicate the changes made thereby in existing rates, fares, charges, routings, ratings, rules, and other tariff provisions and shall indicate the character of each change, that is, whether it results in a reduction or an increase in fares, rates, or charges or is a change resulting in neither increase nor reduction. The changes and their character shall be indicated by the use of the following uniform amendment symbols and, except as provided in paragraph (b) of this section, shall be shown immediately in connection with and preceding each change

(R) or • to denote increases.

(A) or ♦ to denote reductions.

(C) or ▲ to denote changes which result in neither increases nor reductions.

(N) or ■ to denote addition.

(b) *Indicating general changes—(1) Changes of same character in all fares, rates, or charges.* When a change of the same character (either increase or reduction) is effected by all of the rates, fares, or charges in a tariff or supplement, or a page thereof, including a revised page or added original page, that fact and the character of such change may be indicated in distinctive type at the top of the title page of such tariff or supplement, or at the top of such page, as the case may be, in the following manner:

(Notation for title page of tariff or supplement)

ALL ** IN THIS ISSUE ARE ****.

(Notation for other pages)

ALL ** ON THIS PAGE ARE ****.

**—show RATES, FARES, or CHARGES, whichever is appropriate.

****—show INCREASES or REDUCTIONS, whichever is appropriate.

(2) *Changes of same character in substantial portion of rates, fares, or charges.*

The notations prescribed in paragraph (b)(1) of this section may be qualified by adding thereto the words "unless otherwise indicated" and such qualified notations may be used, in the manner described in paragraph (b)(1) of this section, to indicate changes of the same character in a substantial portion but not all of the rates, fares, or charges in a tariff, supplement, or a page thereof, including a revised page or added original page. When this method is used to indicate such changes, any rates, fares, or charges which are exceptions to the qualified notation used shall be indicated by:

(i) Showing a bold-faced dot "O" or the symbol "(K)" in connection with and preceding a rate, fare, or charge in which no change has been made, and

(ii) Using the proper amendment symbol prescribed in paragraph (a) of this section for the purpose of indicating the character of any changes which are not indicated by the notation used on the title page or at the top of the page, as the case may be.

(c) *Explanations and uniform use of symbols.* Explanations of the symbols prescribed in paragraphs (a) and (b) of this section shall be provided in the manner prescribed by §221.35 and such symbols shall not be used for any other purpose.

(d) *Symbols and notations not to be brought forward.* When a symbol or notation prescribed by this section is used in a tariff, supplement, or page, such symbol or notation shall not be carried forward into reissues, supplements, or revised pages when the matter in connection with which they were used is reissued without change.

§221.115 Reinstating canceled or expired tariff provisions.

Any rates, fares, rules, or other tariff provisions which have been canceled or which have expired may be reinstated only by republishing such provisions and posting and filing the tariff publications (containing such republished provisions) on lawful notice in the form and manner required by this part.
